It's "Then community events and education hopefully put an end to these atrocities. Now, again, the case of the murder is in the spotlight, as netizens are trying to find out whether the case of Brianna Lopes' murder was documented on Wikipedia or not? Las Cruces - Stephanie Rene Lopez, the Las Cruces Mother sentenced in the 2002 brutal death of her 5-month-old daughter, Brianna Lopez, is projected to be released from prison later this month after serving less than half of her 27 years Sentence. The new corrections department of Mexico confirmed Friday that Lopez is on his way to being released from prison in September. The case was ruled as homosexual murder, and all 3, father Andy, Uncle, Steven, and Mother Stephanie were sentenced to the horrific crime. She had also been sexually assaulted. In September 2003, Stephanie Lopez, Andy Walters and Steven Lopez were convicted in Brianna's death. EstÁavÁo Lopez was convicted of negligent child abuse, resulting in death and child abuse. Steven Lopez, Brianna, Brianna, s Uncle, was convicted of intentional child abuse, resulting in death; conspiracy to commit child abuse, resulting in death; and criminal sexual penetration of the first degree. Not even she was able to say her first word. According to the investigation, those 2 threw the 5-month-old baby into the air, letting her break her head on the ceiling and then fell on the floor. On July 19, 2002, when she was only five months old, she died from constant child abuse. Follow more update on getindianews.com What happened to Brianna Lopez?
