A e velop to access to an intelligent invoicing gateway with Ingram Micro and receive a consolidated invoice for purchases. Ready to simplify channel revenue operations? With Cloudblue REV, you can immediately simplify and accelerate your sales movements. Do not wait to improve your efficiency, save time and increase profitable - start using Cloudblue Rev. \*only for partners of the United Kingdom. If not located in the United Kingdom, contact your account manager for availability in your region. 02 May 2018 09:00 AM Eastern Daylight Time Irvine, California-(Business Wire) -Ingram Micro Inc. today announced the launch of a new independent software division, Cloudblue, the result of significant, early and current investments made by Ingram Micro to differentiate its global business cloud and help service providers of all types of construction, scale and monetize cloud and digital services. By operating separately from Ingram Micro Cloud, which remains dedicated to supporting the main cloud market in the sector and helping the channel partners to distribute third-party cloud solutions, Cloudblue is focused exclusively on the sale of the Cloudblue Leader in the sector of the sector directly to suppliers of services, including MSP, telecommunications company, various large and other distributors. The CloudBlue Commerce platform allows service providers of any size and a large variety of business models to automate, aggregate and monetize their cloud and digital services, as well as those of third parties. Cloudblue also allows ISV to bring their offers to the market almost instantly in the entire ecosystem of the multi-southern supplier with the Cloud Leader platform of the company sector and anything XAAS (as-a-service). In a Approval of the CloudBlue platform, Ingram Micro today has also announced that it has inserted a unique strategic alliance of its kind with Microsoft for which Microsoft and Ingram Micro will do they will do the CloudBlue commerce platform to new service providers joining Microsoft's Cloud Solution Provider (CSP) program, and the CloudBlue platform will operate on Microsoft Azure. CloudBlue Enables Modern Digital Services Delivery Unveiled at Ingram Micro's 9th annual Cloud Summit, CloudBlue combines the near decade of investment and expertise with the intellectual property and software assets from six different Ingram Micro acquisitions including Odin Automation Platform and Ensim Automation Suite. With hundreds of professionals from engineering, product management, operations, marketing and sales, CloudBlue today manages more than 27 million enterprise cloud subscriptions globally and is primed to experience a record year of innovation and growth. eAAACreating a dedicated and independent CloudBlue division enables us to accelerate our focus on helping service providers succeed in the as-a-service, cloud-first economy.eAAA said Nimesh DavA@A, Executive Vice President Global Cloud, Ingram Micro. eAAAMore and more businesses are experiencing a breaking point in the digital modernization of their organizations and need a flexible and secure platform to sell and scale their cloud offerings while delivering an exceptional service experience.eAAA CloudBlueeAAAs software is the leading cloud commerce and XaaS platform in the industry, powering not only the Ingram Micro Cloud Marketplace, but also the cloud operations for 200 of the worldeAAAs foremost service providers, including, for example, Sprint, Centurylink, Cogeco, Telefonica, OZ, Telenor, Telekom Austria, AmericaMovil, Cobweb, GTI, Copaco, PCM and Telstra. At the core of the CloudBlue ecosystem, is its proprietary API technology, APS, which customers can use to immediately connect to CloudBlueeAAAs vast network of vendor solutions, enabling them to offer these vendor solutions in conjunction with their own core services quickly and easily. CloudBlue provides a single It indicates an ecosystem of the most innovative ISVs in the world, including over 200 pre-integrated solutions of Microsoft, Dropbox, Docusign, IBM, Cisco, Symantec and many others. Richard Dufty, senior vice -president of Cloudblue, guides for sales, support and service for the new Cloudblue division. "The launch of Cloudblue is decisive for the success of our customers and partners and clearly positions us as the leader of the company platform and technological innovator in our sector," said Dufty. A e a, ~ a "cloudblue is only in its proven ability to provide scalable and safe technology, access to an infinite ecosystem of suppliers and services of go-to-market and qualification. By providing these resources and skills to our customers, we are removing the barriers to entry and the growth of pains that organizations have historically dealt with during the launch, reduction and management of cloud companies and services. a e a e the customers highlight the question of Cloudblue "Reach all over the world, the ecosystem" Cobbe believes that the services and cloud solutions can truly free the organizations and help them achieve their corporate objectives by removing the IT restrictions e By reducing companies as they grow, "said Michael Frisby, CEO, Cobbb. A e velop "Cloudblue" provides a platform that allows Cobbb to provide services efficiently to 1,000 of customers together with a flourishing network of solutions and suppliers to guarantee a positive and fruitful partnership for all subjects involved. Network of Pana African fibers of over 50,000 km of strategically positioned data centers and delivery of the main global cloud services, Liquid Telecom is building the digital future of Africa. Cid aligns closely to the Cloudblue mission to connect a growing cloud ecosystem through an agile platform said Nic Rudnick, CEO of the group, Liquid Telecom. aeThe leadership pedigree of Ingram Micro, as well as their existing independent network i odmanoisivrepus ,eulBduolC id elabog MTG aigetarts al ading kiraT eulBduolC ,izuoF kiraT id roines etnediserepceIV .noc.orcim margni .www.us.orlA ,opicitna ni e etrap a orciM margni onougnitsid ,etavorpnoc inoizaler id inneced ad onavired ehc .Atilidadiffa e acudif e odnofop otacrem lus inemidnoforppa ,ilavir aznes .Atiliga ,onovres ehc itacrem ien osseccus noc e etneiciffe odom ni erarepo id ilaieremnoc rentrap ious ia onotnesnoc otmenanoigivorpna id anetac alled inoizulos e duolc , .Atililomb ,ehcigoloncet inoizulos ellen aznetepmoc adnoforp anU .odnom li ottut id edneiza ella otmenanoigivorpna id anetac e elabog aigoloncet id izivres id otelpmoc orteps onu ecisiroF .eAA aigoloncet alled assemorp al erazzilaer a edneiza el atuaia orciM margni orciM margni us inoizamrofni .orciM margni id etnednepidni erawtfos enoisivid anu " A eulBduolC .odnom li ottut ni irotidnevri 000.08 ertlo e VSI inoizulos 002 id 'Aip edulcni ehc ametsicoe nu a osseca'1 itnelc ious ia erffo eulBduolC .otnemanobba ni ilaunna etartne id idraillm 1 \$ ertlo e iladneiza duolc la itnemanobba id inoillm 72 ertlo etnemavittelloc onatneserppar ehc ,odnom la izivres id irotinrof id duolc itacrem idnarg 'Aip ied 002 ertlo atnemila eulBduolC .atsef alled VSI ozret led illeuq ©Ahcnon ,duolc izivres irporp i ais erednev e eragergga ,erazzitamotua rep eulBduolC id oicremmoc id amrofattaip elapincirp allus onasab is otuagha erolav a irotidnevri e ititseg izivres id irotinrof ,icigoloncet irotubirtsid ,ilaidnom etucisonoc 'Aip inoizacinumocet id .Aitecos elled etloM
