A good story can hit him right feels, for sure. But can fake movies to think they're Are they really using good actors and impressive visual effects? The answer is yes. In fact, some of the largest and most popular films that have been released along the last few days were really terrible, it does not matter what any one you. American Hustle - one wholesome film - true-crime day, which was Launched in 2013. The film has a star-studded cast that includes Jennifer Lawrence, Bradley Cooper, Christian Bale and Amy Adams. It has been widely recognized and received various nominations for an Oscar, but in fact - one space - cie hole. Photo courtesy: Columbia Pictures / IMDb The story was inspired by a real-life FBI sting, but Inacio after the cast and story are just aqua - m. The critics called "riotously engraçado" but no moments in the film engraçados - it overshadows by the insanely exaggerated costumes and narrative confusion. Perhaps you remember sitting atravá - s of this film and waiting for something that never came aconteça. What stands out about the film, which was acclaimed when it was cratic Launched in 2000, - it feels like a set-up film. Photo courtesy: E Compulsá the Inc./IMDb The plot follows vários different characters and their Functions in drug tráfico between M - xico and the United States. A teenage drug addict corrupt police, movie characters and histories were meant to be controversial. But it fell bruços and it was difficult to pass. The - atua - it was decent, but the - could save the plot for - Shoots s. Based on a novel of the same name, Forrest Gump - one wholesome - day dramática about a young man who overcomes many hardships throughout his life. It - Tamba - m in love with a grisly woman. She blows it almost throughout the movie - Ata the end, and he-Only accept her and her son. Photo courtesy: Paramount Pictures / IMDb - one of those movies that you either hate or love, but it - s had so much hype over the years to what it actually - . Tom Hanks Gives one incredible performance as Gump, but the film itself and drags the - that innovative. It feels like a tall tale aft the other as you - re waiting for it to end. Dazed and Confused - 1993 indie film portrays a group of teenagers of 1970 was celebrating Último day of school, going to parties, the - condu - around their sweet rides to drink (NA - o - Legal l) and the next file trot - gera - the school students má - dio beautiful horríveis forms. Photo courtesy: Gramercy Pictures / IMDb While the film itself - a little fun and full of cita - Apes memoráveis - a one in particular Matthew McConaughey - e - nA the - tá almost - good as people make it out to be. The quality - sub-par and the - plot flat, bordering on boring. Something really happen in this movie? Normally, any movie with Bill Murray - a real victory, even if only in terms of cult-classic status. But Lost in Translation was a - rio error. The film follows the character of Bob Murray and Scarlett Johansson character Charlotte as they cultivate a friendship after a - gathered in the Táquio, Japa - o. Photo courtesy: Focus Features / IMDb The film may have seemed a sincere and meaningful cinema, but is Aqua - m because neither Murray nor Johansson actually sells. - Tamba - m virtually no plot, and while this may work on a film with great performances and the thrill - CRAVEL, this movie simply on the - tá - m these the Connections screen. WEA nA - e o sure when it was that the directors and filmmakers came across the trip - would that all needs a movie - a great cast to grab público but Alqua - m should tell them that a film-Only - tá - good as its weakest player. Oceana at eleven - one of those movies that everyone seemed to love. But that was-Only because there were some familiar faces? Photo Courtesy: Warner Bros./IMDb The cast - stacked with the likes of George Clooney, Matt Damon, Brad Pitt, Don Cheadle and Julia Roberts, but - a boring picture of a robbery hotel. Even those ones familiar faces in the - could save the plot má - quality. Star Wars may just be the film franchise Most overrated of all time. Despite the fact that they - e o usually terribly acted, full of holes in the plot and - rio lack in department So many were made. Courtesy Photo: LUCASFILM / IMDB IMDB Worse is that the new franchise films are just moving away and further from the good filming. Of course, the visuals are much better than they were in the - "for obvious reasons - but that's all they have. If you were not a child when you saw them, probably do not The way you will become converted now if you have not yet seen the movies. The nostalgia factor is strong, but this is the thread star wars is hanging. Top Gun is a movie about a young man Hotshot pilot dealing with the loss of a friend. He goes to a special Navy School to train more for his career. This is the whole story. That basically means that the movie is about nothing. Photo courtesy : Paramount Pictures / IMDB In addition to the fact that Tom Cruise is one of the most beatical actors of our time, the film is not interesting. It is a slow burn, a boring tale on sadness and navy training. , and does not offer rescue qualities - e - e
