## Granny chapter 2 mod apk god mode

Granny: Chapter Two (mod, monster not attack) - The second part of the popular search for horror, whose creators used a rather unusual mechanics. And so, in the sequel, you were blocked at home again, but unlike the background, this time your grandmother and grandfather will catch you, while an elderly man does not differ in excellent hearing, but will be able to paralyze, but yours Grandma will even hear a rustling. As it is not difficult to guess, your main task will be to get out of home while you will try not only do not take the eye of an insidious couple, but also maintaining silence. Updated to version 1.1.9! Welcome to Granny: Chapter Two. The grandmother and grandfather keeps you locked at her home this time. To survive you have to try to get out of your home, but be careful and peaceful. The grandmother feels everything as usual. Grandfather doesn't listen very well but she strikes strong. If you fall something on the floor, the grandmother feels and runs. You can hide in cabinets or under beds. You have 5 days. Granny: Chapter Two (Mod MODE GOD) - a mobile research, mechanically reminds the daylight death. The project has a truly original atmosphere and plot. Now two murderers will compare you at once. This means that you need to look a lot more quickly, because it will be easier for them to find you. Warning will be your main skill that can save a life. First of all, look for things you can fight against ghosts. Also, don't forget that your job is to find the keys at the exit, which can be hidden everywhere. Try not to release objects, otherwise the killers will come for you, and the encounter with them in any case will end up for you.
