Details of Bursary Application of Lonmin 2022/2023 Lonmin offers different types of bursary programs to help potential students achieve qualifications in mining / mining disciplines. The Bursary program will also be offered with 8 weeks of vacation in the company every year. The number of scholarships granted by year is based on commercial need. You should not miss these bursary opportunities to increase your level of experience in engineering and other fields. Perform all assigned tasks safely. The Lonmin 2019 Bursary program is available in the following fields of study. The requirements of Lonmin Bursary and Grade 12, the minimum average of 60% in mathematics and science registrations of the 1st year, the minimum performance areas of the Average C (60%) or higher attend conferences at the University / Technicon. The candidates interested to
