played the title for an hour and just didn't like it. It doesn't matter. Valve will, upon request via help.steampowered.com, issue a refund for any reason, if the required return period, and, in the case of games, if the title has been played for less than two hours. There are more details below, but even if you fall outside of the
refund rules we've described, you can ask for a refund anyway and we'll take a look. You will be issued a full refund of your purchase within a week of approval. You will receive the refund in Steam Wallet funds or through the same payment method you used to make the purchase. If, for any reason, Steam is unable to issue a refund via your initial
payment method, your Steam Wallet will be credited the full amount. (Some payment methods available through Steam in your country may not support refunding a purchase and with less than two hours of playtime, applies to games

more about how Google Analytics collects and uses data at www.google.com/policies/privacy/partners. Furthermore, you can prevent Google's collection and processing of data about your use of the website, by downloading and installing the browser plug-in through the following link: . 5.5 We make certain data related to your Steam User Account
available to other players and our partners through the Steamworks API. This information can be accessed by anyone by guerving your Steam and your Avatar picture are accessible this way, as well as whether you have received a ban for cheating in a multiplayer
game. The accessibility of any additional info about you can be controlled through your Steam Community user profile page; data publicly available on your profile page can be accessed automatically through the Steamworks API. In addition to the publicly available information, game developers and publishers have access to certain information from
the Steamworks API directly relating to the game in guestion. Depending on which Steamworks services are implemented in the game it may also include leaderboard information, your progress in the game, achievements you have completed, your
multiplayer game matchmaking information, in-game items and other information needed to operate the game and provide support for it. For more information about you through the
Steamworks API such as your real name or your email address, any information you share about yourself on your public Steam Profile can be accessed through the Steam community includes message boards, forums and/or chat areas, where users can exchange ideas and
communicate with each other. When posting a message to a board, forum or chat area, please be aware that the information is being made publicly available online; therefore, you are doing so at your own risk. If your Personal Data is posted on one of our community forums against your will, please use the reporting function and the Steam help site
to request its removal. 5.7 Valve may allow you to link your Steam User Account to an account to the degree allowed by your consent at the time. If the
linking of the accounts requires the transmission of information about your person from Valve to a third party, you will be informed about it before the linking and the transmission of your information. The third party's use of your information will be subject to the third party's
privacy policy, which we encourage you to review. 5.8 Valve may release Personal Data to comply with court orders or laws and regulations that require us to disclose such information. 6. Your Rights and Control Mechanisms The data protection laws of the European Economic Area, California, and other territories grant their residents certain rights
in relation to their Personal Data. While other jurisdictions may provide fewer statutory rights, we make the tools designed to exercise your data protection rights in a simple way we are providing a dedicated section on the Steam support page (the "Privacy Dashboard"). This
gives you access to your Personal Data, allows you to rectify and delete it where necessary and to object to its use where you feel necessary. To access it, log into the Steam Account. In most cases, you can access, manage, or delete Personal Data in the Privacy
Dashboard, but you may also contact Valve with questions or requests via the contact processes described in sections 8 and 10 below. As a resident of the European Economic Area you have the following rights in relation to your Personal Data that we hold about you, i.e. the right to
require free of charge (i) information whether your Personal Data is retained, (ii) access to and/or (iii) duplicates of the Personal Data retained. You can use the right to access to your Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data is retained, (iii) duplicates of the Personal Data through the Privacy Dashboard. If the request affects the right to access to your Personal Data through the Privacy Dashboard.
charge a reasonable fee (taking into account the administrative costs of providing the information or taking the action request. 6.2 Right to Rectification. If we process your Personal Data is accurate and up-to-
date for the purposes for which it was collected. If your Personal Data is inaccurate or incomplete, you can change the information you provided via the Privacy Dashboard. 6.3. Right to Erasure. You have the right to obtain deletion of Personal Data concerning you if the reason why we could collect it (see section 2. above) does not exist anymore or if
there is another legal ground for its deletion. For individual items of Personal Data please edit them through the Privacy Dashboard or request the deletion of your Steam support page. As a result of deleting your Steam User Account, you will lose access to
Steam services, including the Steam User Account, Subscriptions and game-related information linked to the Steam User Account during a grace period of 30 (thirty) days from the moment you request deletion of
your Steam User Account. This functionality allows you not to lose your account by mistake, because of your loss of your account tredentials or due to hacking. During the suspension period, we will be able to finalize financial and other activities that you may have initiated before sending the Steam User Account deletion request. After the grace
period, Personal Data associated with your account will be deleted subject to section 4. above. In some cases, deletion of your Steam User Account, and therefore Personal Data deletion, is complicated. Namely, if your account has a business relationship with Valve, such as due to your work for a game developer, you will only be able to delete your
Steam User Account after you have transferred this role to another user or have dissolved the business relationship. In some cases, considering the complexity and number of the requests, the period for Personal Data erasure may be extended, but for no longer than two further months. 6.4 Right to Object. When our processing of your Personal Data
is based on legitimate interests according to Article 6(1)(f) of the GDPR / section 2.c) of this Privacy Policy, you have the right to object to this processing as described in Article 21 of the GDPR; in particular if
the data is necessary for the establishment, exercise or defense of legal claims. You also have the right to obtain restriction of processing of your Personal Data under the conditions set out in article 18 of the GDPR. 6.6 Right
to Personal Data portability You have the right to transmit those data to another controller under the conditions set out in article 20 of the GDPR. Valve makes your Personal Data available in structured HTML format through the Privacy
Dashboard as described above, 6.7 Right to Post-Mortem Control of Your Personal Data If French data protection legislation is applicable to you, you have the right to establish guidelines for the preservation, the deletion and the transmission of Personal Data after your death in accordance with article 40-1 of the Act No 78-17 of 6 January 1978 on
Information, Technology, Data Files and Civil Liberties. 7. Children The minimum age to create a Steam User Account is 13. Valve will not knowingly collect Personal Data, Valve requires parental consent before a Steam User
Account can be created and Personal Data associated with it collected. Valve encourages parents to instruct their children to never give out personal information when online. 8.
