Gov. je information and public services for the island of jersey l'Ã@nformÃf          les sÃÃrvice Publisys pouer i'Ã  © JÃÃrri from 1 Dec 2017. Singapore citizens and permanent residents who wish to apply or renew their temporary driving license (PDL) is necessary to apply online using your Singpass account. The following categories of foreigners who wish to apply or renew their PDL for class 2B, 3 and 3A are needed to apply online using their Singpass account. Ã. (a) payment pass and pages for personalized occupation steps; Ã. (b) entrapass holders; Ã. (c) S-PASS holders; Ã. (d) holders of dependent passages (of the owners of EP, PEP, Entrepass and S-Pass); Ã. (e) long-term pass-plus visit holders (LTPV +); and Ã. (f) the holders of long-term visiting steps. For student motorists who are not suitable for candidate for Singpass (for example, work permit holders and student pass holders), is also able to request the PDL and renew PDL online using the finish number and the date of birth. For foreigners (for example, Work permit holders and passage holders) that apply for class 4, 4a or 5 PDL, note that it is necessary to apply in person at the Test Center Woodlands (WTC). Please bring the following documents to verify: Ã. 1. Singapore driving lentfulness showing that they possess a valid driving license of class 3 or 3C; Ã. . Work permit or passage s (showing their employment as a driver); and Ã. © III. Signed company letter to demonstrate that they are employed as a driver for heavy vehicles by the company. The payment of S \$ 25 for the application or renewal of the PDL can only be performed on the WTC counter using networks or cashcards. The Woodlands Test Center's address is the following: Woodlands Test Center Singapore Safety Center (SSDC) 2 Woodlands Industrial Park E4 Singapore 757387 You can apply or renew for a temporary driving license (PDL). Estimated time to complete: 10 minutes The government has announced an extension of the expiration dates of complete driving licenses for those who have not benefited from a previous extension. The extension will apply to expiring driving licenses from 1st July from 2021 to 31 October 2021 with 10 months added to the expiry date. If your license had to expire on 5 July 2021, you have a new expiration date of 5 May 2022. If your license had to expire August 5, 2021, you have a new expiration date of 5 June 2022. If your license was due To expire September 5, 2021, you have a new expiration date of 5 July 2022. If your license had to expire on 5 October 2021, you have a new expiration date of 5 August 2022. You can check the expiry date of your license on National driver license (NDLS) service website. You will not receive a new license during the period of your extension, but your driver record will be updated to show that your license or student permission is still valid. If you are a driver who has benefited from the previous extensions and the new renewal date is due, you need to renew your driving license with the NDLS. NDLS centers are open by appointment. No Walk-in service is available. If you have a Public Services Charter or MyGovid, you can apply online to NDLS.ie. If you are over 70 years old, or your current license expires on the eve of your 70th birthday you will be sent to you a package of applications from NDLS to renew your driving license by mail or you could renew online at NdLS.ie. There are no application fees payable by people aged 70 years and beyond the renewal of their driving license. The student allows the government announced a new 10-month extension to of validity of student permits. This is in addition to the previous extensions granted. The new extension means that: the permits expired between 1 March and 30 June 2020 previously extended by 8 months will now be extended by another 10 months, then 18 months in terms of total permits expired between 1 July to 31 October 2020 which were previously extended by 4 months will now be extended by another 10 months, then 14 months in terms of total permits expired or expired between 31 July 2020 and 1 July 2020 and 14 months in terms of total permitsIt will be extended for 10 months for example, where the expiration date on the physical student permit (which can be seen in the counterpart 4b on the permit) Show 5 March 2020, the new expiration date is September 5, 2021. Similarly, if The permission was expiring on 5 July 2020, the new expiration date is September 5, 2021. However, if permission is already renewed, and had a deadline between 1 March 2020 and 31 July 2021 , the new 10 months extension is not applicable, and the expiry date of the permit will be indicated on your new permit. To learn more about license extensions on the NDLS website. You can apply to renew your driving license if you hold a driving license that runs out within 3 months you held a driving license that has expired less than 10 years ago, if your driving license has expired 10 years ago or More, you need to complete a test driver theory and then request a driver's student permission. License duration Your age determines how long the license will be released for, in order to be able to renew the license for 10 years, 3 years or a middle ground, depending on how old you are. If you have less than 60, you can request a 10-year license or a 3-year license (for health reasons). If you have from 60 to 67, you can request a license that expires the day before your 70th birthday if you are between 67 and 70 years, you can request a 3-year license. If the current license expires within 3 months from your 70th birthday, the new license will be released both for 1 year or 3 years. The shortest time is valid if your doctor chooses this option on your medical report. A bus or guide truck license is released for up to 5 years. The cost of a driving license is: ten-year driving license, , -55 bus to five years or driving license truck , , -55 three years of driving license , ,  -35 One-year license (health reasons) a no driving fee if you are 70 years old or more, you can renew your driving license for free. Any examination exams or necessary medical visits are not free. You can apply to renew the online driving license, if you have a public services tab (PSC) and a MyGovid verified account. It is also necessary to have: application in person if it is not possible to renew the online license, you will need to contact a center of NDLS in person. It is not necessary to provide photographs with your application, such as the photo and signature will be recorded digitally. No more obliged to present a question form. See orientation notes at the request of a driving license and application for a foreign language allowed on ndls.ie. It is necessary to carry the following documentation with you at the time of renewing the driving license: the current driving license test or the latest number of PPS the adequate quota - see an RotalE  Above the documentation to demonstrate the identity test license Medical Guide Report Form, if necessary (see below) A driving license of the view Form view, if necessary (see below) Medical signaling module You will need a driving license Medical Report Form if you are applying for driving licenses Categories C, C1, D, D1, CE, CIE, DE O DIE (buses and trucks), unless previously provided a medical report that is still applicable.
