Every time with our free All-Affairs* communication app with unlimited text, voice, video links and group video chat. Message and cross-connect with friends on Instagram right from Messenger. Just search them by name or username to send messages or call them. Privacy Settings New privacy settings allow you to choose who can contact you and where your messages appear. Custom Reactions Can't find the words? You can customize your reactions with many more emojis to choose from. Chat Themes Choose fun themes and colors like Tie-Dye or Love to personalize your chats. Watch movies, TV shows, and movies together with your friends on video messengers and in rooms when you can't be together. Capture every moment and every reaction in real time. Free video connections* Keep friends and family close with unlimited live video chats to stay connected. It offers call groups of up to 8 people with high-quality audio, high-definition movies, and interactive video features like face filters. SMS and Unlimited Free Calls Avoid phone numbers and easily send a message to your Facebook friends even if they are on the other side of the world. Enjoy voice and high-quality text messaging on mobile, tablet, and desktop. Turn off the light in dark mode, relax your eyes with a new elegant view that dims the colors of the chat interface. Record and send voice videos, if the text is not enough, just press and send. Dill, sing, show him or shout loudly. Express With Lips, Gifs, and Emoji use personalized stickers to show off your creative side. You can even add video call effects and filters. Send files, photos and videos There is no number of files that you can share with friends. Plan and build your relationships with surveys and more. Suggest a meeting place or connect with friends where you can share your location with a few taps. Send money securely and easily (US only). Send and withdraw money securely and directly with friends and family directly in the application by adding a debit card, Paypal account or prepaid card (simultaneous cards only suitable for sending money through Send Money.). Reach out to businesses, easily connect with your favorite businesses to make reservations, use customer service, find deals and more. Compatible with chat platforms with friends on different devices like desktop, portal and others. Privacy Policy:Learn more about messages about messages and group videos conversations: * Data speeds are valid for connecting C-0.
