Y khalid, 11 Jun 2021its sucks. disgusting lot of bugs, bugs bugs and bugs. Don't update. 12.0.2 update has issues. My Redmi note 9 Pro global version cannot hear or communicate in a call unless I hit speaker button????? P Dario, 17 May 2021I got android 11 today.. after downloading the update it showed no update available.. how did ... moreMIUI 12.0.1 based on android 11 has received to redmi note 9 pro max and downloaded but after its disappear ,where should it gone?why will this occur? F This update made my restart issue worse on my device. the restart issue has destroyed my redmi note 9pro global. I tried hard resetting my device. but it didn't work. in fact the reboot issue didn't let the hard reset complete and it turned off in the middle of the process then it kept on restarting. I can't even switch off my phone. it turns back on and keeps on rebooting. one thing I've noticed is that when even my finger touches the power button even when I'm not pressing it the device gets out of the restart loop error and boots up. k its sucks. disgusting lot of bugs, bugs bugs and bugs. Don't update.
