Kick the Buddy (mod, money / gold unlimited / gold) - An excellent game where you can remove stress, for this reason you will be given a mannequin that needs to inflict as much damage as possible. Use rockets, grenades, submachine guns, cold steel and even a nuclear bomb to inflict damage to your main enemy. Updated to version 1.0.6! Kick the Buddy Remastered (mod, unlimited money) - Remaster of the iconic anti-stress toy on Android. The developers have improved graphics and music, but the plot remained in the original game, in front of you will be a piece doll with which you can play and do anything, throw it against the walls, hit it, use against the weapons toy Available: AK-47, grenades, rockets, swords, piranha and much more. Kick the Buddy Remastered Mod APK - will help you relax and spray all anger without damage to others. Updated to version 1.0.2! Kick Buddy arrives on Google Play explode, destroy, shoot, shoot, destroy, freeze, launch, send the power of the gods and don't even think about stopping. Now you have a virtually unlimited arsenal to beat: rockets, grenades, automatic rifles and even a nuclear bomb! We present you to take the Buddy "more than just a relaxing game. It is more than stress game. It is a first interactive action game. Among all stress relief games, Kick Buddy It's a relaxing game where you can slap the doll and forget your anger. It's a fun game to play when bored. Do you want to beat the head, or maybe slap and bash the Ragdoll? Do you want to destroy everything around you in this Destruction game? Do you want more kicked? Are you frustrated and angry with your heads? Would you like to enjoy another great title like the rhythm of the Boss series? Or do you just want to test your imagination with the massive collection of tortural equipment kicking the companion? It is time to join millions of online players in this exciting action title for Android.pick players on all kinds of torturing things you might think and trigger your anger at this mannequin. Don't worry, you don't feel pain and Ve NDERÁ really be beaten by you. So you can feel free to take the most epic and interesting weapons to kick your seat. It's a perfect way to unleash your anger. About this fantastic game with our reviews.StoryThe game introduces players to a relatively simple game concept, in which players will have access to countless "stuff" - can use to test on a mannequin . It is your perfect probability of getting back to stress and unleash your anger from annoying garments without it noticed. You can do the simple as you repeatedly hook it up until it is unconscious. Or climb the game while collecting enough coin and money to buy powerful and exotic weapons. Pick up your rifles and spray the bullets towards him, unleash your devastating rockets on him, burn him with your flantrower, and even a whole piano to him or let a tiger tear him into pieces. And with the blink of an eye, your mannequin has returned and asking more beat and kicking. ICQuistatisimple and pleasant Gameplayit almost impossible for you to find a game so simple but compelling as Kick the Buddy. Having said that, during the entire game, your only goal is to beat and kick your ass our mannequin (friend) to how you wanted. Alongated, you will find your faito extremely interactive as you can easily touch the screen and drag it. Throw it from the corners to the corners or extend it to the maximum elastic body and shot it as a rubber band. Don't remember that I would have the chances of testing all kinds of incredible weapons on him and experiment interactive features. In fact, he even has an answer with interesting of voices .multiples Robas to try your buddyand while you dive into the gameplay with kicking the companion, you find yourself having access to more "stuff" - "stuff" - that you can try on your friend. That being said, you can shoot your bullet against him and chasing him through the room. I do more weapons and cold cold slices Dummy in different half or pin to the wall with hundreds of arrows. Get the game with the powerful explosive and explode the whole room along with your dummy.e as if this is not enough, kicking players are also authorized to access some of the most exotic and incredible "stuff" - "stuffed" -. Torture your mannequin with horrible musical instruments, feed it with foods, unleash the power of the gods, or even releasing a T-Rex to. But this is not the end of it. In fact, more time spend in the game, the most ridiculous weapons you could discover.Dress up your buddy as you wish, no matter what plans to do with your mannequin, you could also give him a little recovery with more clothes and costumes available . Put the "stuff"
