## Jedi outcast switch cheats

Q: Is there multiplayer for the Nintendo Switch version of Jedi Academy? A: Yes! The Nintendo Switch version of Jedi Academy has online multiplayer for up to 16 players. Q: Are custom games available for multiplayer? A: Custom games are not available for Nintendo Switch. Q: Does Jedi Academy multiplayer have in-game voice chat? A: In-game voice chat is not available in the PS4 or Nintendo Switch versions of Jedi Academy. We have implemented a quick-chat wheel for in-game communication. However, you can still use the dedicated chat features of your console for voice chat. Q: Which languages are supported for Jedi Academy? A: The following languages are supported on PS4 and Nintendo Switch: Voice/Text: English, French, Spanish, German Text only: Italian, Japanese, Simplified Chinese Q: I'm stuck! Is there a walkthrough for Star Wars Jedi Knight: Jedi Academy? A: IGN has an in-depth walkthrough that can help you! Click here Q: How do I access the Cheat menu? A: From the main menu or the pause menu, press the following: d-pad up, d-pad down, click left-stick, click right-stick, click left-stick in: Articles to be expanded, Real-world articles Edit Share If you make a profile called Shane (case-sensitive, the space is located in the symbol part of the on-screen keyboard), your soldiers become Ewok-sized. A screenshot of playing the hunt on Hoth with the comic book caption cheat on. Code: 6757638763876363 (Campaign) Effect: Access all Campaign maps Code: moe (single player) Code: pop (single player) Code: usestheforceshane (single player) Effect: Turns off the HUD Hand held only[edit | edit source] Pause the game while playing in any mode, then press and hold L2 and R2, then enter the code. Code: Up, down, left, down, left, right Effect: shows funny comic book captions when you attack a Rebel as a Wampa Code: Up, up, up, left, up, up, down, left, down, up, up, left Effect: removes the Heads-Up Display (HUD) Code: Up, up, up, left, up, down, up, up, left, down, down, down, left, up, down, down, left, right Effect: alternates the sounds (gives Slow-Motion sounds) Code: Up, down, left, down, down, left, down, down, left, down, down, left, down, down, left, up, up, up, left, right Effect: grants you Infinite Ammo Code: Down, down, down, left, down, down, down, down, left, up, up, left, down, down, down, down, down, left, up, up, left, right Effect: gives you Alternate Soldiers Code: Up, up, up, left, down, down, down, left, up, up, up, left, right Effect: grants you Invincibility. Star Wars: Republic Commando cheats[edit | edit source] PC[edit | edit source] During gameplay press ~ To type in these cheats: Go to next level: Type in Darman Adopt the ability to fly or no clip mode: Type ghost or fly To be able to walk again:Type Walk Behind view: Type Behindview 1 change the 1 to 0 to switch back to visor kill all enemys: Type Smitteevil Refill Ammo:Type Fiertefk Gain all weapons:Type loaded God Mode:Type TheMatulaakLives Kills whatever is in your crosshairs:Type HOG Star Wars: Jedi Knight: Jedi Academy cheats[edit | edit source] Xbox[edit | edit source] Enter the following codes while playing. You'll hear a confirmation sound if entered correctly: Invincibility - Hold the Right thumbstick and press Down, Up, Left, Right, Down, Up on the D-Pad. All Force Powers - Hold the Right thumbstick and press Left, Down, Right, Up, Down, Down on the D-Pad. Unlimited Force Power - Hold the Right thumbstick and press Up, Down, Up, Left, Up, Right on the D-Pad. Skip Level - Hold the Right thumbstick and press Up, Up, Down, Down, Left, Right on the D-Pad. P[edit | edit source] Open the console by holding the "shift" key and pressing ~ To activate the console, type in "devmapall" or "helpusobi 1" Invincibility - Type "god" (type again to deactivate) All Force Powers - Type "sefforceall" (1, 2, 3, or 4) All Weapons/items - Type "give all" Ammo - Type "give ammo" Force - Type "give force" Enable single saber - type saber\_x Enable double lightsaber - type saber\_(1-5) saber\_(1-5) Enable double-bladed lightsaber - type saberduall\_(1-5) Enable sith sword - Type in "saberstih\_sword" Walk through walls - Type "noclip" (type again to deactivate) Invisibilty - Type "notarget" (type again to deactivate) this will render you invisible to enemies Realistic combat - Type "g\_saberrealisticcombat (1-20)" This enables dismemberment. Pick up enemies sabers - Type "g\_pickupabledroppeddsabers 1" only works if enemy is killed. If you are holding a single saber, picking it up will enable you to have two. If you have a Double bladed lightsaber or pick up one, you will drop your current one. If you have dual sabers, you will drop one and pick up the other. Change player model - Type "playermodel" (Tavion, Luke, etc.) Exit Game - Type "quit" Create Non-Player Character - Type "npc spawn" (Tavion, Luke, etc.) Delete all NPCs in game - type "npc kill all" - Note that this might also kill cutscene-only NPCs, and can cause the game to freeze when certain tripwires are not hit during said cutscenes. Fight hand to hand - type "knowkungfu". This also allows the player to possess other characters by using the mind trick on them. Taunt Type "taunt", Taunts vary with lightsaber type. Suicide - type "killorr" or simply "kill". This immediately kills Jaden. LEGO Star Wars cheats[edit | edit source] LEGO Star Wars II: The Original Trilogy[edit | edit source] Nintendo DS[edit | edit source] Nintendo DS[edit | edit source] All characters: UDLRAB-- Unlock all extras: ABACAB-- Unlock all clothing in the character editor: 867539-- Unlock all weapons in the character editor: BIGGUN-- Earn 500,000 stud bonus: HGIGHF-- Earn 10 bonus studs: 4PR28U Star Wars: Jedi Starfighter cheats[edit | edit source] Xbox[edit | edit source] ARTOO - Invincibility LONGO - Unlock everything DARON - Enable Director mode HUNTER - Unlock Z-95 Headhunter CONVISTA - Disable HUD PlayStation 2[edit | edit source] QUENTIN - Invincibility PNYRCAD E - Unlock everything DIRECTOR - Enable Director mode HEADHUNT - Unlock Z-95 Headhunter NOHUD - Disable HUD JARJAR - Reverse flying controls MAGGIE - Display secret message Star Wars: Rogue Squadron III cheats[edit | edit source] Star Wars: Demolition cheats[edit | edit source] PS1[edit | edit source] Enter at the cheat screen, which is in options, prefernces and appears after entering L1 and R1 at the same time (or equivelent on Dreamcast). Den Klassiker Star Wars Jedi Knight 2: Jedi Outcast gibt es seit kurzem für Nintendo Switch und PlayStation 4. Mit der Portierung auf die beiden Konsolen sind auch die Cheats in Jedi Knight 2 auf der jeweiligen Plattform verfügbar. Die Frage ist: Wie lassen sich die Cheats in Jedi Knight 2 beziehungsweise das Cheat-Menü aktivieren, denn es ist nicht einfach über die Einstellungen des Spiels verfügbar. Wenn es nicht klappt, helft ein wenig nach.Für die Nutzung der Cheats ist eine spezielle Tastenkombination nötig, erst damit lässt sich das entsprechende Menü verwenden. Diese geht wie folgt: Steuerkreuz hoch, Steuerkreuz runter, linken Stick drücken, rechten Stick drücken, linken Stick drücken. Es ist keine allzu komplizierte Tastenfolge. Was ihr dann machen könnt, hängt davon ab, wo ihr euch befindet. Im Hauptmenü des Spiels habt ihr - sofern kein Spiel geladen ist - die Möglichkeit, einen Level auszuwählen und diesen direkt zu starten. Spielt ihr bereits, ruft das Pausemenü auf und gebt diese Kombination ein, habt ihr zusätzliche Cheat-Optionen. Diese sehen wie folgt aus: Alle Cheats in Star Wars Jedi Knight 2: Jedi Outcast für Nintendo Switch und PlayStation 4 (PS4) Gottmodus: Ihr seid unverwundbar. Kein Clipping (NoClip): Ihr könnt zum Beispiel durch Wände gehen. Kein Ziel: Gegner nehmen euch nicht als Ziel wahr. Alles geben: Ihr erhaltet alle Kräfte der Macht und alle Waffen. Volle Gesundheit erhalten: Eure Lebenspunkte werden aufgefrischt. Volle Rüstung erhalten: Euer Schutzschild wird aufgeladen. Volle Munition erhalten: Frischt eure Vorräte für die Waffen auf. Kraft der Macht: Ladt eure Machtenergie auf. Lichtschwert-Farbe: Ihr wählt die Farbe der Lichtschwertklinge, darunter Rot, Orange und andere. Wiederbeleben: Tötet euch.
